Addendum #1

RFQ – Solar Energy Services Provider – 2016-17

The following question was submitted by a potential vendor:

Q: Could you please clarify the potential size of this project, in kilowatts or megawatts?

A: The awarded vendor will be expected to provide and quantify the savings opportunities for both the commodity side (kWh) and the delivery/transmission side (Oncor). The potential size of the project will be based on the analysis performed by awarded vendor.
